Sarongs WHAT MAKES OURS Special

- **SIZING**

Our sarongs are generous in size ... approximately 46 x 69 inches. They are bigger than many sarongs that you find in the market.

- **HAND-STAMPED BATIK**

Our sarongs are considered a piece of fabric art because they are hand-stamped batik instead of machine printed. The designs and colors are unique and beautiful!

- **FABRIC**

Our fabric is 100% (first quality/grade 1) rayon. Many sarongs that you find in the market are a lesser quality of fabric. You can feel the difference!

- **COCONUT CLIP AND BROCHURE**

Each sarong comes with a coconut clip and brochure that includes pictures with complete tying instructions. The brochure also tells the customer the story of sarongs and describes the uniqueness of the batik printing.
